

## Chapter 7 :1-16 • Essentials for marriage

### Study 10 — Discussion Questions

- What are some of the matters the Corinthians had asked Paul to explain?
- How would you sum up the Apostle Paul's comments on marriage in these verses?
- Why is understanding the context important when reading these verses?
- How do you think our modern sensibilities about marriage differ from the Apostle Paul's?
- Why did the Apostle Paul wish that everyone was like him as it relates to marriage?
- What was the Apostle Paul's advice for those who separated from their spouse for reasons other than infidelity?
- How were believers to react when they were married to an unbeliever who wanted out of the marriage?
- How were believers to respond to an unbelieving spouse who wanted to stay in the marriage?
- How would you respond to someone who made the claim that the Apostle Paul was anti-marriage?
