

## Study Notes for John 4 (Part 2) v25-42

- What does **verse 25** show about the spiritual condition of the Samaritan woman?
- Why do you think the disciples didn't question Jesus about talking to a Samaritan woman even though they "marveled" that He had been doing so? (**v27**)
- Jesus said, "I have food to eat that you do not know about." How can doing God's will be compared to food?
- What are the wages that Jesus spoke of for the reaper? (**v36**)
- How do you think the Jewish Religious Leaders would have reacted to Jesus spending two days ministering in a Samaritan town?
- What was Jesus trying to teach His disciples about evangelism in **verses 35-38**?
- What do you think the disciples learned from the encounter with the Samaritan woman (**4:31-38**)?
- Some say that Jesus was merely a good teacher and just a man man. They say people like the Apostle Paul and others made Jesus into something he was not by saying He was the Savior of the world. Based on **verse 42** how would you respond to this claim?
- In **verse 42** the Samaritans claimed that they believed by accepting Jesus at His Word. How do you think this attitude compares with Christians today?
